About Repton School Dubai

Repton Dubai is a prominent international school in the heart of Dubai and one of only a handful of schools in Dubai to boast an Outstanding rating from the Dubai Schools Inspection Board since 2014. One of the few genuinely international schools in the Gulf Region, Repton Dubai combines the reputation and academic rigour of the UK curriculum, from infants and junior school through to IGCSE level in Year 11, and then embraces the challenges and opportunities of the International Diploma or IB in the Sixth Form.

Set in the largest, most spectacular school campus in the Middle-East, and almost uniquely in Dubai offering a dynamic boarding experience in addition to day school, Repton pupils from ages 3-18 benefit from facilities, resources and a classroom and sporting experience that is the envy of their peers.

Our mission is to promote excellence in every area of a child's and student's life at school, within and outside the classroom.
